What does MonClubSportif do?

Presentation of the Application

MonClubSportif is a web and mobile management application for individual teams and sports organizations (associations, schools, clubs, etc.). It is a tool that greatly reduces the time invested by all members involved.

Typical organization at MonClubSportif

Who is it intended for?

If you are an organized group of members, in sports or not, and you are looking to reduce your management time invested daily, our App is for you! With MonClubSportif, you will be able to simplify the following management tasks:

- **Communication within the organization**
 - Between players, coaches, parents, supervisors, etc.
 - E-mail lists
 - Phonebook
- **Attendance management**
 - Cancellation or postponement of an event
 - Replacement analysis management
- **Member transfer from one group to another**
- **Follow up on your players' health condition**

They've trusted us

Mistral Laurentien Soccer Association:

- Everyone else involved

Features

The application has several features that help its users. Some are intended for everyone (general) while others target directors and administrators only (specific).

General

Automated Reminders

Synchronization of your personal calendar with teams' calendars

Overview of your teams: calendars, results, attendance, etc.

Statistical module

Locations synchronized with Google Maps

Access to your list of members

Access to the profile of the child shared by the parents
Provides access to parents for their child's profile. They can thus control the attendance of their child themselves.

Specific

Management of teams from the same or different organizations

Import your member list

Import your players

Import your games

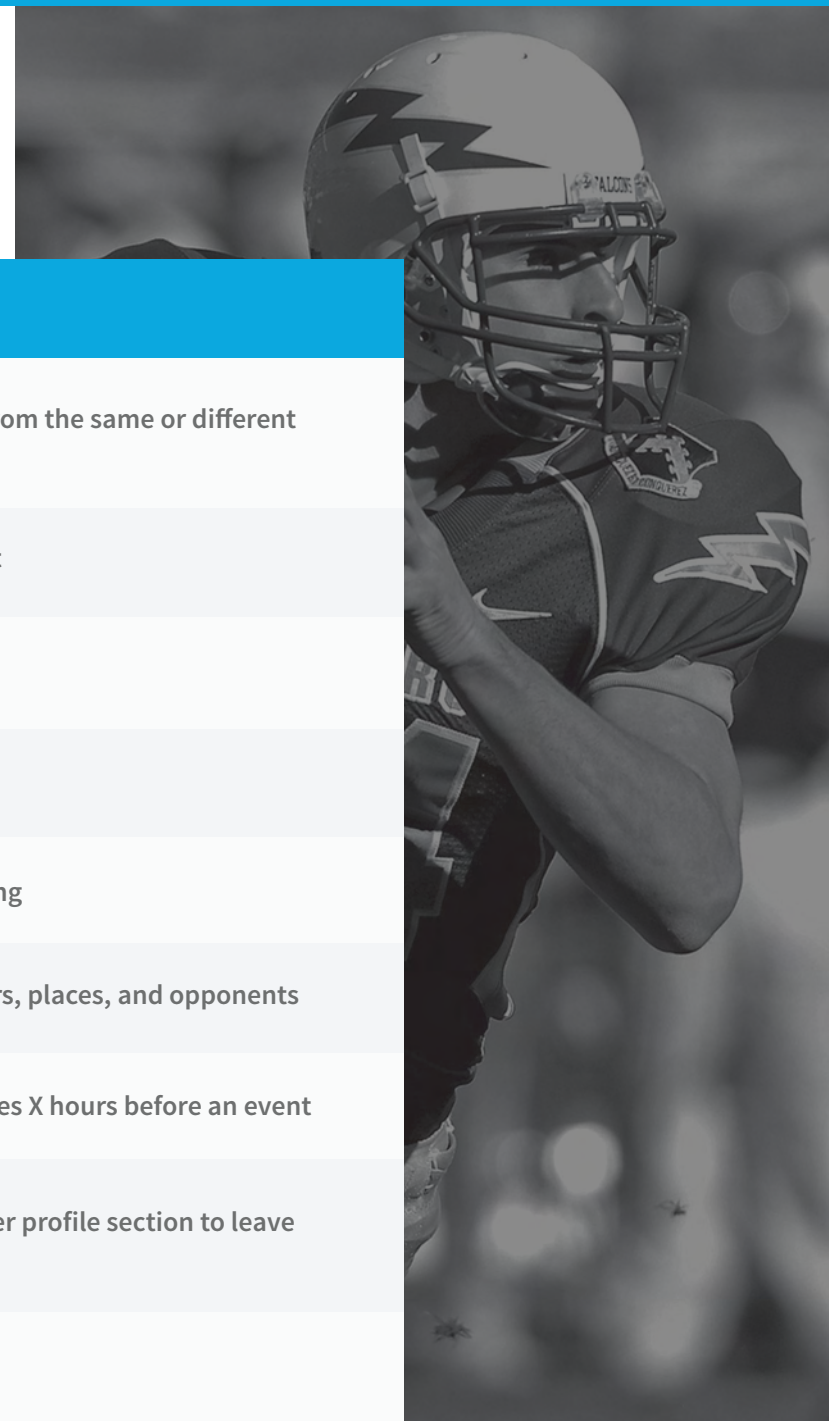

Management of the billing

Season archiving: players, places, and opponents

Block attendance changes X hours before an event

Access to private member profile section to leave notes

Billing management

Bonus

Photo albums

Add Videos

Documents section

Wins, losses, and ties

Latest results

Interactions with coaches

Members' list with confidential information protection

Pricing

The costs of using the application are attributable to the administrator of the team. Therefore, it's free for other members. There is a 30-day free trial with no commitment when creating a team or organization.
