

WHO

Direction

Coaches

Sports manager and recreation technician

Parents and athletes

HOW

The manager's platform

Platforms for individual coaches and their teams

WHY

Optimizes your time, centralizes everything, and leaves you more time for your real passion: training!

"71% of cases of abuse in schools stem from the use of Facebook or snapchat"

BENEFITS

1

Monitored and moderated communications

No need for social networking. Opt for conversations that separate private life from school activities for caring communications.

2

Automate your tasks

Send notifications to cell phones for informed parents

3

Quick access to the players' directory

Keep all information on your athletes and their parents at your fingertips

4

Create and modify your calendar easily

Share new matches, practices and upcoming events in real time for proactive and efficient organization

WHAT

Synchronize your sports and personal calendars for a successful reconciliation

Centralized and varied communications to quickly inform your parents and athletes

Manage and track attendance to plan your training sessions and matches accordingly

Automatic notifications to avoid oversights and keep your members informed

Instantly share and modify the season's calendar with your athletes and parents
